AN OPEN LETTER

JANUARY 2026

Dear Parents / Guardians,

1. Warm greetings to all and a heartfelt hello to the parents and caregivers of our incoming Primary 1 learners. The year 2026 begins an exciting chapter for your children here at Queenstown Primary School. Together, as partners in their growth and discovery, we look forward to seeing every young Queenstowner flourish. Very soon, you will experience the strong sense of community and belonging that defines our QtPS family.

2. These Monthly Open Letters will serve as our primary means of communicating important information to you, including updates on school announcements and events. It will also provide a platform to share and celebrate the successes of our students and staff. Soft copies of these Open Letters will be sent through Parents Gateway and our school website. Do sign up for Parents Gateway if you have not already done so as most of our school-wide communication (e.g. letters, consent forms, etc.) will be circulated through this online platform.

3. We are excited to share that Queenstown Primary School has refreshed our Vision, Mission, GRACE values and IMPACT dispositions to better reflect our aspirations for every child in today's world. Our renewed Vision is '**Confident Leaders and Caring Citizens who are Change Makers**'. This speaks to our belief that every Queenstowner can make a positive difference. With your partnership, small but meaningful experiences will grow into the confidence and compassion to take on bigger challenges as they progress through their years with us and beyond.

4. To realise this vision, our Mission affirms our identity as **a caring learning community that nurtures hearts and empowers all**. Care lies at the centre of how we teach, learn and treat one another and when we nurture hearts, we support each child's character, well-being and sense of purpose. Empowerment ensures that every student and staff member is recognised for their unique strengths and possibilities. Our GRACE values - **Gratitude, Resilience, Accountability, Care and Empathy** - guide how we relate to others, while our IMPACT dispositions - **Inventive, Mindful, Proactive, Adaptable, Collaborative and Tenacious** - grow the habits of mind needed to thrive in life. As we celebrate our 70th anniversary in 2026, this renewed direction strengthens our commitment to meaningful learning that equips every Queenstowner to live with GRACE and reach with IMPACT.

Safety and Security Matters

17. Road safety around the school: Student safety is our priority, and the safety of our students using roads leading to and from the school is the responsibility of all. As a driver,

please play your part by slowing down as you approach the vicinity of the school. As a parent, please reinforce the importance of road safety with your children. The road can be very busy and dangerous, especially before the start of school and at dismissal time. Thus, we would appreciate parents being positive role models by signalised pedestrian crossing.

18. Traffic and pedestrian map: Refer to the school site map in Annex A indicating the traffic flow for vehicles entering the school and the location of pedestrian gates. Please follow the directional signs and instructions from our security personnel. In the morning, parents are allowed to drive into the school car park between 6.30 am and 7.45 am. Vehicles driving in should exit via the Main Gate with left turn ONLY between 6.45am and 7.45am on school days. The bus-bay or the stretch of Margaret Drive is not safe for drop-off or pick-up of students due to heavy vehicular and human traffic during peak school arrival and dismissal hours. Please use the drop-off points outside our school at Blocks 42A and 88A where students can enter the school via the bus-stop gate and back gate respectively.

19. Parking: Due to the limited parking lots within the school, we seek your understanding that all visitors to the school will have to park at the public car parks adjacent to the school. All visitors entering the school premises are to obtain visitor passes from the Security Guard Post outside the General Office. As the security of our students is of utmost importance to us, please comply with our security measures.

School Fees Payment via eGIRO

20. Please note that GIRO deductions for school fees and miscellaneous fees are made on the 26th of every month from February to December. To ensure smooth and timely deductions, and to reduce the likelihood of any school fee arrears, we strongly encourage all parents/guardians to activate their child's/ward's eGIRO account.

21. If you have not yet activated your child's/ward's eGIRO account, we kindly advise you to do so at your earliest convenience. You can easily activate the eGIRO via the Ministry of Education's website by following this link: <https://www.moe.gov.sg/financial-matters/fees>

Activation of Edusave Funds for Enrichment Programmes and Miscellaneous Fees

22. We would like to inform you that the Edusave Account is automatically opened for all students who are Singapore Citizens (SC). Students who are Singapore Citizens will receive an annual contribution of \$230 into their Edusave Account.

23. The funds in the Edusave Account are primarily used to cover the costs of enrichment programmes organised by the school, as well as the single-tier miscellaneous fees.

24. If you have not yet activated your child's/ward's Edusave funds, we kindly advise you to do so at your earliest convenience. Please visit the following link to activate the Edusave funds: <https://www.moe.gov.sg/financial-matters/edusave-account/usage-of-edusave-funds>

Importance of School Attendance

25. School attendance: All students are expected to attend school regularly. Research has shown a close correlation between students' achievement and their attendance. Students who attend school regularly are more likely to succeed in their studies and enjoy their schooling experience. Attending school regularly during the early school years is especially critical as children require a strong foundation in literacy and numeracy, as well as strong social-emotional competencies to cope with the academic demands at the higher levels. We seek your cooperation and understanding in ensuring that your child/ward attends school regularly so as to support his/her schooling success.

26. Absence from school: As curriculum time is precious, we strongly discourage parents from planning overseas trips during curriculum time, unless it is an unforeseen emergency. The only exceptions for absence are (i) the student is ill and is covered by valid medical certificates, and (ii) parents have sought prior permission from the Principal for leave of absence.

27. Illness: If your child/ward is not feeling well, please bring him/her to see a doctor and only allow your child/ward to return to school when he/she is feeling better. Any absence from school must be accompanied with either a medical certificate from a doctor or a letter of excuse from you on the day your child/ward returns to school. **Medical certificates may also be submitted via Parents Gateway.** For such letters of excuse, the school will only accept up to two days of absence per term.

28. Infectious disease: If your child/ward is down with an infectious disease, e.g. chicken pox, Hand-Foot-Mouth Disease, Tuberculosis, Covid-19, Influenza A, please

- take your doctor's advice and let your child/ward rest at home.
- call the school to inform us of your child's/ward's diagnosis. It is important that parents/guardians inform the school in case of infectious disease so that we can monitor the situation with other students in their class. We seek your understanding in this matter as the health of our students is our concern because learning can only take place when our students are healthy and alert.
- seek clearance from your doctor before allowing your child/ward to return to school.

Assembly Reading Activity

29. Reading is a lifelong habit that we aim to nurture in our Queenstownians and many efforts have been put in to promote reading in QtPS. As such, we conduct daily morning reading sessions in the hall/classrooms. During these sessions, students will engage in reading silently before the singing of the national anthem/flag raising ceremony. Please ensure that your child/ward has an English Language storybook with him/her on Mondays to Wednesdays, and a Mother Tongue Language storybook on Thursdays and Fridays, as we aim to develop in him/her a good reading habit.
