Dear Parents / Guardians,

1. Warm greetings from Queenstown Primary School. As our Primary 6 students approach the end of their PSLE journey, we are proud of the hard work and dedication they have shown. Our heartfelt thanks go out to all parents and guardians for your continued support throughout this important chapter. After their examinations, students can look forward to a series of engaging and meaningful post-examination activities. Please be reminded that student attendance during this period remains compulsory.

2. October brings with it a special occasion- Children's Day! We have planned a day of fun and celebration to show appreciation for the joy, energy, and curiosity our students bring to school every day. Here's wishing all our Queenstowners a very Happy Children's Day!

General Information

Traffic Safety Reminder

14. The school has received feedback regarding safety concerns at the carpark between Blk 82 and 83, near the school back gate. We have observed that the area is sometimes used as a drop-off/pick-up point, which has led to congestion and created unsafe walking conditions for children and parents.

15. As shared in our safety advisory last year, we would like to remind all parents to use the designated drop-off/pick-up point at Blk 88 (see Annex A for map) and the walkway leading to the school back gate. While we understand that this may be a little further, your cooperation is important as the safety of our children must remain our top priority.

16. The Town Council has also been informed, and enforcement action will be taken against unauthorised parking in the season carpark. We thank you for your continued support in keeping our school environment safe for every child.

Concluding Remarks

19. Our Term 4 school value is **Gratitude**, which reminds us of the importance of appreciating the people, experiences, and opportunities around us. While it may not always be easy to feel thankful, especially during tough times, cultivating gratitude can bring about powerful benefits. Research has shown that grateful individuals tend to be happier, healthier, more resilient, and more motivated. As we work to nurture this value in our students, we invite you to partner with us in helping your child/ward recognise and express gratitude in their daily lives.

Warmest regards,
Mrs Olivia Cheong
Principal

SkyVille @ Dawson, Block 88A

Drivers turning in from **Dawson Road** are required to make a **right-turn loop** for drop-off point.
