**MOHAMAD ZIYAAD S/O  
MOHAMED SUHAYIL**  
Captain of Football Team (Junior Team)

.....  
I have made great friends during football training sessions. We believe in sharing honest feedback to help one another improve and are not shy to admit our mistakes. I do get nervous when I make the wrong call on the field, but I know playing together is not just about me. It's about the team and we get through disappointments together. In class, I enjoy learning as my teachers work very hard to plan fun activities for us to be engaged in learning. My classmates are fun to be with too!

**MADELEINE AUDREY  
CHANDRA**  
Captain of Badminton Team (Girls)

.....  
As a student leader, I get to lead warm up sessions and work on more challenging strokes with my teammates. I also reflect with the team during debrief. Some things I believe in and have shared with the team are: "Take a break before trying difficult things", "sometimes, it's hard to execute a particular stroke, then, it's ok to do less of that for that day." Listening to one another is a norm. On top of that, all of us are encouraging and always ready to support one another. We're a good team!
